to downtown Poulsbo & Liberty Bay waterfront

Estate lots for custom homes — or 33 homes under Washington's two-ADU law.

Eleven lots on a quiet in-town street a mile from downtown Poulsbo's waterfront. Build large custom homes on generous lots, or pair a primary home with two accessory dwellings on every lot — the layout Seabold Engineering has drawn — for up to 33 homes without a rezone.

WHY HOSTMARK, POULSBO

- ◆ In-town Poulsbo: walk or bike to Front Street, the marina and Liberty Bay; Poulsbo Elementary, the North Kitsap schools and Central Market within minutes.
- ◆ Poulsbo carries the county's highest home values — typical value \$675,871, median sale \$627,833 (Zillow) / \$674,583 at 100.0% sale-to-list (Redfin), 8 days to pending.^{1 2}
- ◆ Custom-home lots are scarce inside city limits: Poulsbo's new detached homes start at \$530,950 (KB Home) and run to \$1.3 million+ (Garrette Homes, Tall Timber).⁵
- ◆ The ADU option is statutory: cities must allow at least two ADUs on every single-family lot, cannot require owner occupancy, and must allow ADUs to be sold separately as condominiums.⁶
- ◆ ≈20 min to the Bainbridge–Seattle ferry, ≈10 min to NBK–Bangor, ≈20 min to the Kingston–Edmonds ferry; Naval Base Kitsap employs 42,700.³
